CLUB NOTES

Our visitors to-day, Northampton Town, had an excellent start to their first season in the Second Division. They have since settled down into a fairly consistent combination with 41 points from 41 games, a considerable achievement in higher company.

Our own fortunes in the League have taken a turn for the worse and we must resign ourselves to another season in the Second Division. The younger players in the team, however, will be a little more mature next season and the experience gained this season should be a great help in our effort for 1964/65.

From comment in the national newspapers, it seems quite possible there will be an increase in the minimum charge for admission at League matches next season. Continued rising costs are making it very difficult for professional clubs to survive. Fortunately we have had a good season this year in every respect, so we have no worries on this count, but the majority of clubs, particularly those who have not done too well in the playing sense, must find things very difficult. However, we will have to wait to see what the League clubs decide.

Saturday week is the climax of a highly successful season. Cup Finalists once again for the second time since the War and a near miss in the promotion race. Whatever the result at Wembley, the affairs of the Club have undergone a remarkable transformation in the past twelve months.

The Official Party will be returning from London on Sunday, 3rd May, arriving at Preston Station just after three o'clock.

NORTH END SUPPORTERS' CLUB NOTES

As this is the last match of the current season it is a great opportunity for all supporters to show their appreciation for the wonderful achievements of the team in the Cup and League this season. Also to wish them "all the luck in the world" when they step out at Wembley a week hence and here's hoping that the Cup comes back to Preston. So let's have an extra-special cheer for the lads this afternoon—and an even louder one at the Wembley Stadium next week.

CLUB NIGHT next week will be on Thursday, 30th April, when the draw for the three piece suite will be made. This event has been organised by the players and should be very well supported.

SUPPORTERS' CLUB members who visited Manchester United Supporters' Club after the match at Bury last week spent a very enjoyable evening with the Manchester people and also met a party of Arsenal supporters who called in on their return from Liverpool. The scheduled entertainment for the evening was supplemented by Mr. Colin Kaye, a member of the Preston party, who sang a number of popular songs to the great delight of the audience.
